**From Incheon International Airport(ICN) to Daejeon (It reads DAYJON. 대전 in Korean)**

**( KAIST main campus is in Daejeon, 140 kilometers (90 miles) south of Seoul.)** 1. Airport Limousine bus is the best way to Daejeon from ICN.

After you getting out of the airport building, please find a ticket box on the street. Purchase a ticket to Daejeon(대전). It costs about 25,000Korean won (about 25USD), cash or credit cards. Check your seat number and departure time from the ticket. Then, go to your **bus stop, #9D**, which is at a half way across the street, in a bus stop island. Show your ticket to your driver to make it sure. Since your bus stop is the first one, load your baggage last. Tell your bus driver that your bus stop is "Lotte Hotel" (롯데호텔에 내립니다.)

The bus leaves the airport at regular intervals (2 or 3 times per hour. The last one is at 11:10pm). **Your stop is the very first one which is called "Lotte Hotel" stop.** It takes about 2.5 hours. If you miss your stop, take the next one, which is equally okay.

**Plan A:** You may ask the bus driver to call me to 010-9152-0528. Show him/her the following note:

**010-9152-0528(김용정)로 대전(롯데호텔)도착시간을 알려 주십시오.**

(Translation: Please inform the arrival time to Daejeon to #010-9152-0528(Yong-Jung Kim).) I will pick you up at the bus station or send you someone.

**Plan B:** You may take a taxi to KAIST. The cost for the taxi ride is about 4,000 Korean Won (about 4 USD). You may show the following note to your taxi driver.

**카리스트 갑니다. 정문에서 바로 우회전하면 좌측에 있는 첫번째 건물입니다(E2-1).**

(Translation: I am going to KAIST. Take the main gate of KAIST. Then, turn right immediately and then turn left to the first building. The building code is E2-1)

My office is in third floor, **#3213**. There is a phone at the entrance. My office phone number is **2739**.
